

JUSTIN BAIRD - GRAPHIC DESIGNER

ADDRESS

36 Smyth Crescent
Beeton, Ontario
Canada, LOGIAO

DESIGN EXPERIENCE

• ACB QUALITY SERVICES, (CONTRACT)

Designed and produced materials including company logo, letterhead, business card and product layout. Collaborated with client through meetings and E-mail. Developed strong project management skills.

• VINDERE ESPORTS, (CONTRACT)

Designed and produced a logo, examples of merchandise and wallpaper designs for the American Rocket League eSports team called Vindere.

• DIRTY BOYS GRAPHICS & WRAPS INC. (2016-2017)

Worked as a Graphic Designer for Dirty Boys Graphics. Designed and produced new branding for the company, as well as car wraps, website design/development and letterhead/business card design. Worked alone and with a team.

• THE SALVATION ARMY (VOLUNTEER WORK)

Did volunteer design work for the non-profit organization The Salvation Army. Created a large 24x30 mission board design outlining their different committees for organizational use in the Salvation Army offices.

• BARRIE NAVY LEAGUE SEA CADETS (VOLUNTEER WORK)

Designed a mail brochure for the Barrie Sea Cadets to help advertise their fund-raiser to rebuild a youth centre near the Barrie Lake.

• SIMCOE COUNTY MUSEUM (FIELD PLACEMENT)

Worked as the Simcoe County Museum's Graphic Designer. Designed the Museum's new Education Programs booklet as well as advertisement for holiday gatherings and programs for the Museum.

OTHER EXPERIENCE

• TSS ALARMS, (2013)

Worked on call as required, clean up on electrical sites, help install and uninstall security systems. Worked with a team of two/three people.

• TSS OFFICES, (2014)

Worked doing Mail preparation and distribution for TSS Alarms. Produced 300-500 Quarterly billings.

• FOODLAND, (2014-2015)

Worked as a Grocery Clerk for Foodland as well as for the interior LCBO. Stocked/counted inventory, unloaded shipments of products. Worked with a team.

• NOTTAWASAGA INN AND RESORT, (2015-16)

Was employed as a Porter for the Nottawasaga Inn. Work includes organizing banquet rooms, helping guests, building stages, running electricity/preparing sound systems, and general help for hotel engineering.
