Profile

Graduating from the Graphic Design program at Georgian College. With stellar skills in InDesign and Illustrator, and a great ability to communicate, I am ready to take on new challenges. I have experience working in fast pace environments, in teams and meeting strict deadlines. Paying attention to detail with every design and working with a client to come up with creative solutions is the way I strive to be successful.

Design Experience

- ♦ Have developed and demonstrated knowledge of design principles to execute creative and original designs within branding, editorial layouts, web, and advertisements.
- ♦ Familiar with print production and preflight checks.
- ♦ Developed knowledge of colour, typography, layout, and print.
- ♦ Successful in maintaining an organized design with a typographic solution within editorial layouts, branding, and advertisements.
- ♦ Work well with others, as well as independently, with the ability to make a plan, keep organized, meet deadlines and problem solve to come up with an effective design solution.
- ♦ Flexible within different working environments and can adapt easily to changes.
- ♦ Design and delivered marketing and promotional material such as post cards, brochures, programs, magazine advertisements, and banners.
- ♦ Design and executed concepts for web and other media using Illustrator, Photoshop, InDesign, Wordpress, and Flash.
