## Education:

*2014-Present, Graphic Design  
Georgian College*

Created projects, such as brochures, illustrations, magazine articles, logos, posters, websites and more. Utilizing Adobe Photoshop, Illustrator, Indesign, and Dreamweaver

## Skills:

Creative solving skills: created copy heavy brochures and posters using inventive ways to make it more appealing

Proficient at learning: memorized complicated patterns quickly in order to speed production

Developed knowledge in pre-pressing files for print: prepped files with die cuts, correct colour format and naming of layers for easy printing. Using Adobe Photoshop + Illustrator + Indesign

Performed multiple tasks to complete projects on time: ran the printers, got rid of unusable material, and prepping mounting materials

## Employment Experience:

*City of Barrie, Sign Shop – May - August 2017*

Produced large & small scale prints, using print, software techniques & manual labour

Planned, reinforced and learned new skills related to the production of signage and large format printing

*Shred North – May - August & Sept - Dec 2016*

Handled confidential information while in a fast pace group environment: sorted private files into correct folders, scanned documents into computer for later storage for clients

Managed time wisely to complete projects

*Moore Packaging – May - August 2015*

Performed in a fast paced environment, while working with a team: organized packages for shipment and travel to clients

Proficient at learning new skills and equipment operations

## Awards:

Received designation of Ontario Scholar

Artwork chosen for art exhibit at  
Maclaren Art Gallery

Received the Media Arts award at Innisdale  
Secondary School

## Facts:

Been doing Photography + Photoshop for 7 years
