

## Mascot Design

This is Jalapeño Jack. Jalapeño Jack is a mascot for a Mexican restaurant i came up with.

## Mascot Design

Along with the mascot i created an ad to go along with it.

## **Cookbook**

French cookbook called “Cuisine À La Maison”  
which translates to cooking at home

# Cookbook

I start all of my projects with pencil and paper to get the layout and a rough idea of how i want the finished product to look.

## Skateboard/Apparel Design

Conjure Skateboards is a brand I made up for a school project.

## Skateboard/Apparel Design

Along with Skateboards I designed some apparel.  
For this one i created Several Hoodies.

## Skateboard/Apparel Design

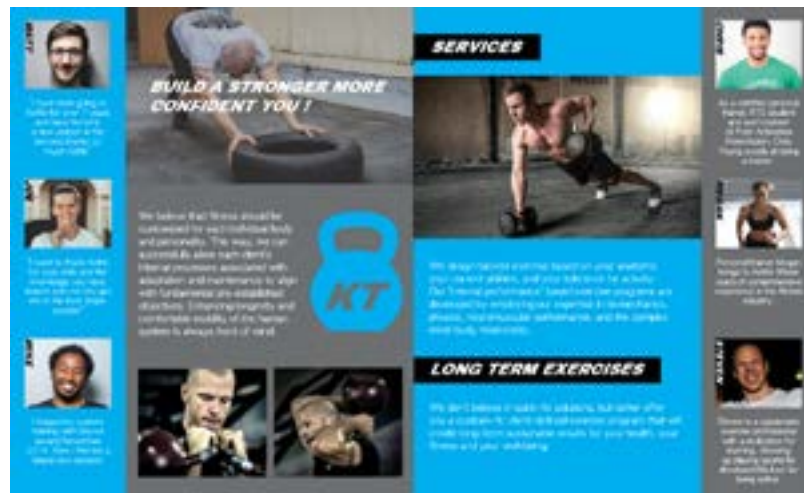

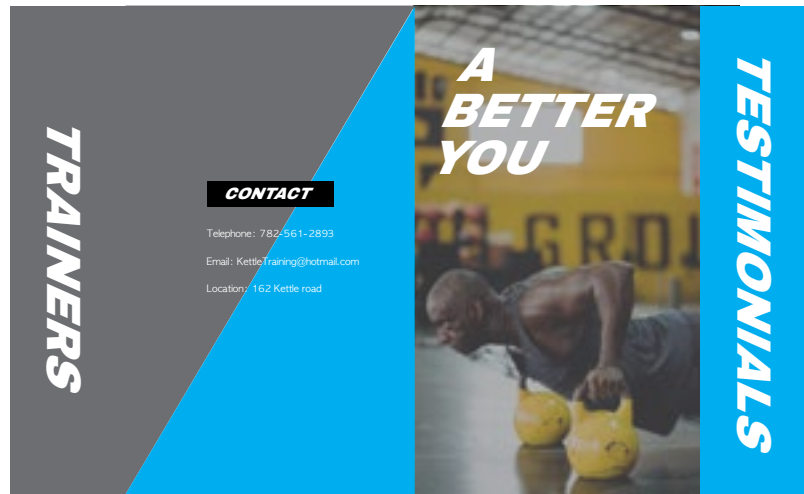

Along with Skateboards I designed some apparel. For this one i created several Hats.

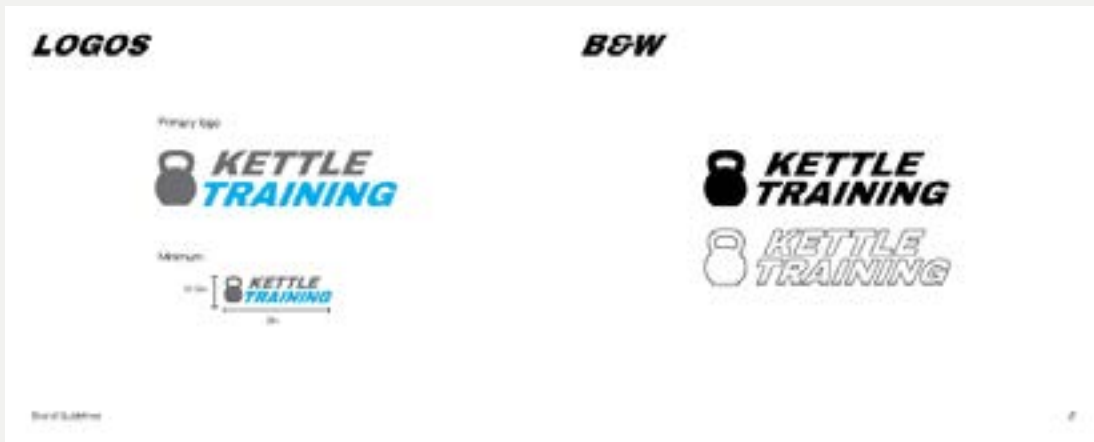

# Brochure Design

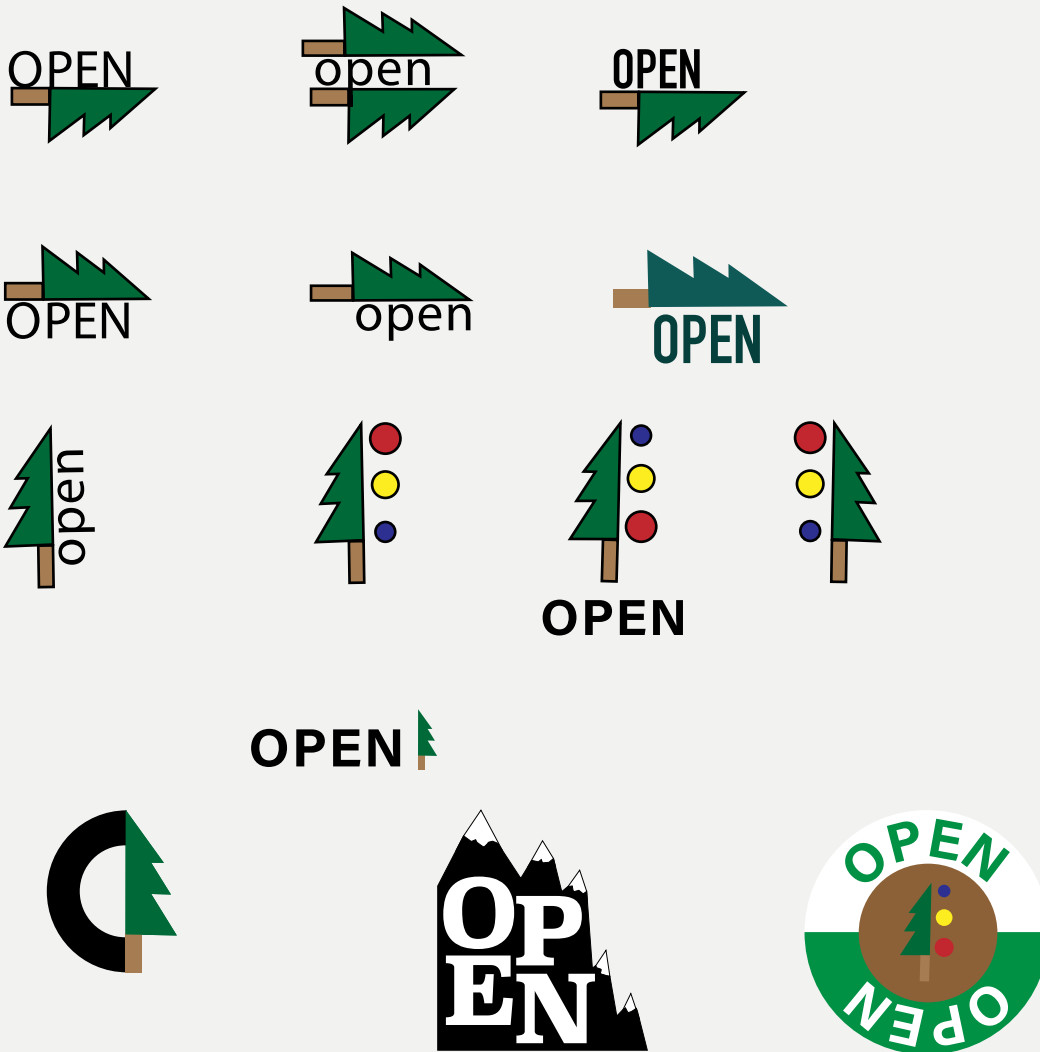

This brochure is for a training facility called Kettle training.

# Logo Design

These logos are also for the training company Kettle.

# Logo Design

When creating a logo I go through as many options as possible to make sure I get the best fit

## Logo Design

This logo is for an outdoor outfitter, which i created the company name, branding and style guide for.
