Profile

I am a self-motivated, creative, and experienced graphic designer that has worked in many areas of art and design. As a loyal worker, I believe prioritization and care of clients, making sure all is taken care for without missing any details that were specified. I enjoy doing work in areas such as, poster design, web design, illustration, and logo design.

Education

Attending Georgian College, Barrie ON since 2018

3 Year Graphic Design Advanced Diploma

Graduating 2021

Design Experience

Designed and re-designed magazine spreads from scratch to be effective and easy to read

Designed app prototypes for multiple brands

Designed multiple ad formats for mobile, poster/billboard and websites

Designed multiple responsive websites for multiple platforms

Job Experience
