## WEBSITE DESIGNS

These are some of my latest favourite websites that I have designed. These websites consist of bright and vibrant imagery that stands out and catches the viewers eyes, along with a well spaced and laid out grid system.

Adobe Xd

05

## POSTER DESIGNS

These are poster / screensaver designs that I have designed with Adobe Photoshop. Here I have displayed a few mockups of some of my most recent posters. These posters are designed to promote a certain topic, such as an upcoming movie, video game series, or a celebrity and latest fashion trends.
