ABOUT US

Helping Paws, Changing Lives

At Homes for Hearts, we believe that every animal deserves love and care, regardless of their shape, size, or species. Our mission for the past 20 years is to be the voice for those who cannot speak. Your donations and support ensure our work can continue and thrive.

Our main task is to provide a haven for animals in need throughout Simcoe County. Our volunteer team offers fostering and rehoming services to ensure each small heart finds their loving forever home.

Not every pet comes to us in the best We are privileged to have a fantastic team of veterinary professionals to ensure every animal in our care gets the best medical attention and treatment.

We also understand the bond between and their owners. For those facing financial difficulties, like seniors on fixed income offer support such as discount food services. We love being able to offer keep pet families together.

TESTIMONIALS

Erin and Finnian

"As a broke college student I found it difficult to afford food, treats for my boy as well as finding the time to spend with him. Rehoming was out of the question so Homes for Hearts provided me with bird food, treats, vitamins, and new toys that I was struggling to provide for Finnian. They also introduced me to a wonderful pet sitter on the team and I have never had to worry about the care of my feathered friend again!"

Jocelyn and Bear

"Homes for Hearts truly came through for me when I needed help finding a new home for my grandmother's beloved dog. Due to unforeseen circumstances, I was unable to care for him myself, and the team at Homes for Hearts handled the situation with such compassion and professionalism. They found a loving family for him within 2 weeks! It was a miracle. I am forever grateful for their support during a really difficult time."

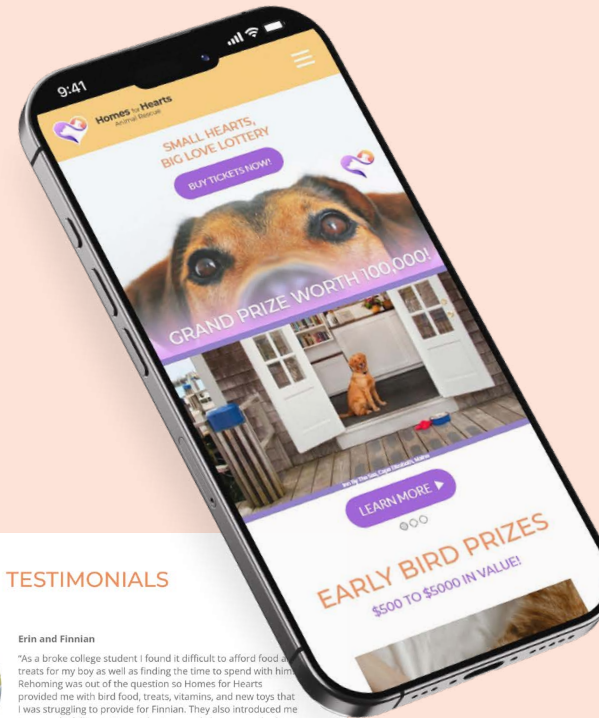

Margo and Odie

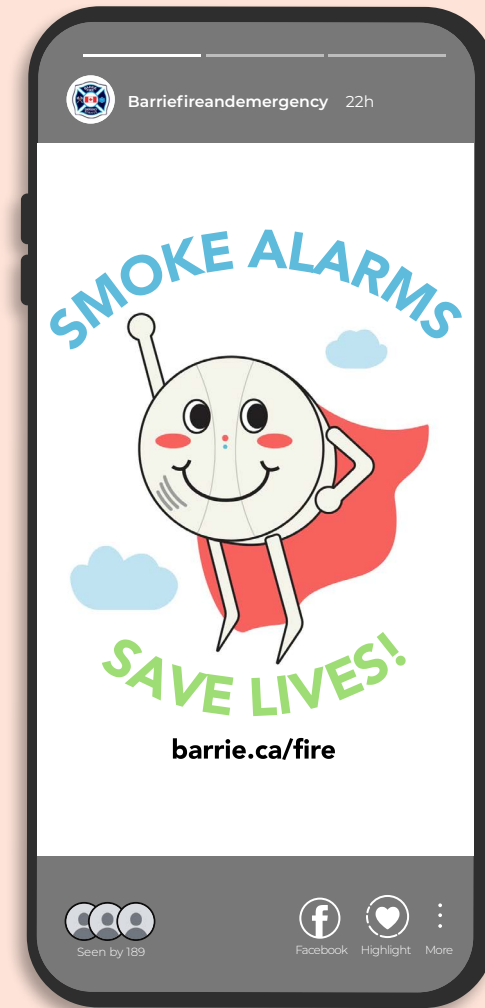

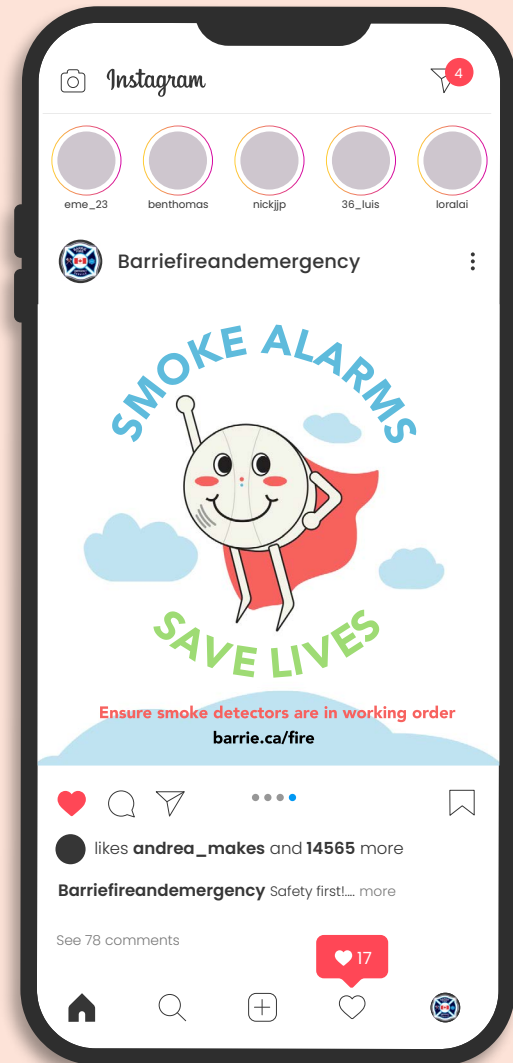

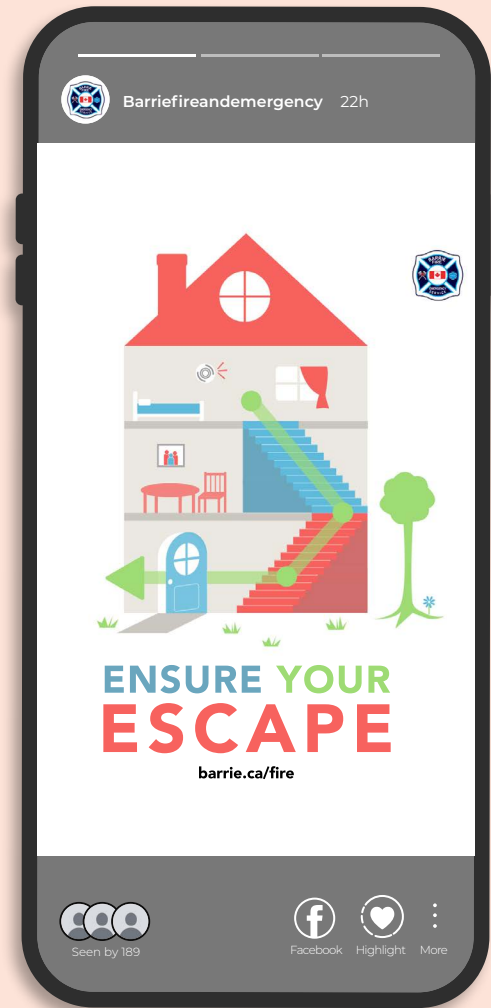

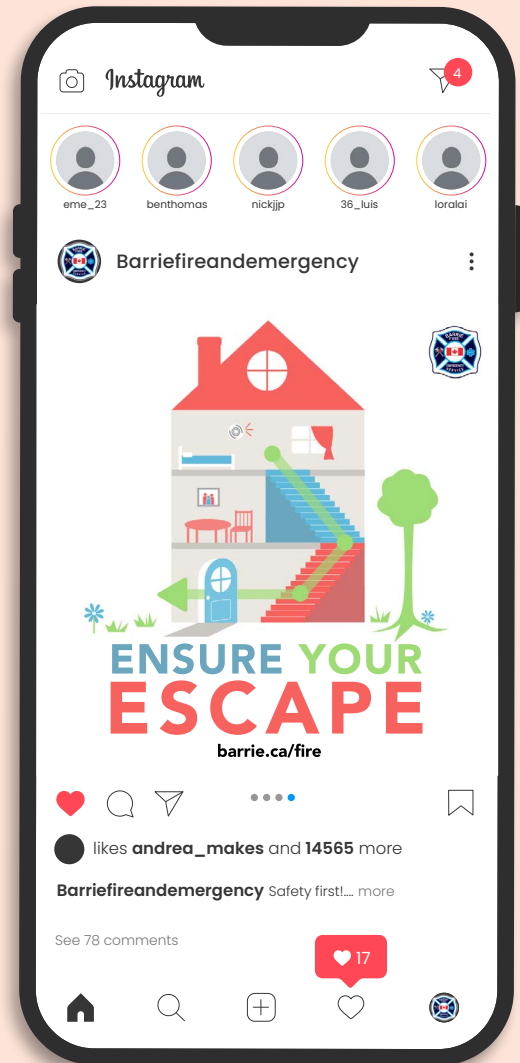

"Homes for Hearts was great to work with! Thanks to them, I was able to find and adopt the most incredible cat named Odie. This crazy little guy has filled my home with love and joy every single day! We're a perfect match."

Helen and Sally

"I'm a senior living on my government pension and small savings. I was hit hard financially last year when I had a medical crisis. I was skipping meals just to keep the lights on and the heat running for almost half the year. After being referred by a friend, a volunteer from Homes for Hearts showed up with 3 months' worth of dog food for my little Dachshund Sally! I was in tears. That kindness kept me going and now Sally and I doing great. God bless them."
